Report from Art Schultz

Ruth Schultz delivered a report on behalf of her husband Art, who was unable to attend our meeting. She read the report, as prepared by Art.

I am reporting on three of the activities that he has been leading for the past 3 % years.

o The first is The Huntcliff Chorus. The Chorus started when Frankie asked me to try to start one 3 % years ago. I had 16 residents within a few weeks and then we got a Music Director. Now having grown to 34 members we have given in the last 3 weeks alone performances to over 125 residents and their families and friends. Both shows were sold out. This was a very successful season which will continue next spring. In addition, I will be turning over the position of Producer/Coordinator to Ken Klein as it is time for me to move on. I have really enjoyed working with y'all for the past  
3 1/2 years.

- The second program I started was The Huntcliff Men and we have taken over 12 tours, to see wonderful places around Atlanta, lunches out for the guys only, and have had a variety of speakers here to talk to all the residents on interesting topics. I am now handing the speakers and tours over to Don Radman and the lunches out to Larry Hunt. Both of which will do a great job.
- Finally, Monday Night Blackjack continues to be popular with a number of residents and will continue hopefully with more of our newer residents.

Thank you for your time and interest in these activities.
